

Sherston Parish Council
Planning Sub Committee
8th January 2015
Evaluation of Planning Applications

Those present:

G Morris (Chairman), SM, MJ, CJ, PC, LP, TW, JC, TW.

Conclusions:

The Committee examined the following applications:

**14/11868/FUL. Two Story Extension, New Garages and Alterations to Wash House
3 Willesley, Tebury. GL88QU**

A Site Visit was held on 13th January 2015. There were no basic objections to the proposal. However, there were some points of detail:

- i) Is it necessary or desirable to change the design of the roof over the front lobby. The existing gable seems more in character.
- ii) There was some doubt over the proposed Pentice at the rear, and whether it was in keeping with the area.

The repairs to the Wash House are necessary

**14/11938/TCA. Fell One Leylandii.
8-10 Easton Town, Sherston.**

No objection.

**14/12015/FUL. Alterations to Existing House and Construction of Canopy to Rear of
Building.
4 Manor Close, Sherston.**

Changes will not effect the front elevation of the property and are largely internal. There are no objections to this Application.

**14/11703/FUL. Change of Use etc..
Angel House, High Street, Sherston.**

This is the subject of a separate report.

Graham Morris
